COPPERINGS.

The weather is clear and warm. This is the Arizona Indian summer.

At the Nation: Matt McDonald, Pueblo; W. N. Place, El Paso; W. H. Sperry, same.

L. C. Stuart, the well known lumberman has returned from his visit to his Pennsylvania home. Mr. Stuart's visit was saddened by the fact that he got back with him the dead body of his brother.

A report to the effect that a party of hunters over the border composed of Sid Harris, Al Brockman, Wm. Nichols and Geo. Mayhew, had been attacked by a bear and that one of them was seriously injured, if not fatally, has been going the rounds. The same had not been authenticated however by any later reports.

Geo. W. Hambricht and A. H. Sietz, Los Angeles; J. C. Peterson, Milwaukee; are registered at the Beasmer.

Naco, the little border town, was the scene of another shooting affray today which, under the circumstances, was particularly frightening. Full 800 people, men, women and children, attended the ball game there between the office nine and the A & S E Rail road boys going down by special train. The game over the cars were loaded again with their passengers and were about to pull out, when suddenly a regular volley of shots rang out and bullets flew in all directions. A drunken fight between an American and a Mexican on the foreign side started the fracas. It is said that the Mexican ruffian first opened fire which was promptly responded to by a number of crabs and some others on the ground. The car, though at quite a distance were in the line of fire from the Mexican side and some bullets passed over. Everyone was terribly alarmed and made frantic efforts to escape being shot. A miner named Dan Burgess, running across the line of fire was hit in the leg. His hurt however is only a flesh wound and he will undoubtedly recover. Reports that one Mexican was killed and two wounded were at first circulated and also that at later occurrence a couple of American lighters were killed. It is not thought at this writing that such is the case however. Much indignation is expressed on the streets tonight at the outrageous conduct of the Mexicans and others in shooting in the direction of the train, freighted as it was with innocent women and children. The ball game, the attraction for the crowd resulted in a victory for the A & S E the score being 6 to 7.

## COPPER KING OF ARIZONA

Regardless of Fluctuations in the Price of Murphys in Arizona, Copper King Stock is not affected thereby. There is a great distinction between the Vegetable and Mineral Kingdoms. The Red Metal is still triumphant and will not be downed by small Potatoes.

## THE BARRETT SMELTER

Will soon start up on large reserves of rich smelting ores, and in a short time there will be no more stock offered for sale on the market. It now behooves all those who wish to get in on the ground floor to apply at once, as a rise in price will date from the flow of bullion.

All applications for stock during the next 30 days will receive prompt attention from
